5 good reasons to join the LO trade union Industri Energi:

■ **Help at work:** Do you work part time or do you have a summer job? As a member of Industri Energi you can get help to negotiate wages and get support if you experience difficult situations at work. This is independent of where you work as a student.

■ **Career portal and scholarship:** Student members get free access to a CV builder, an interview guide and tips for cover letters in LOs career portal. As a member you have the opportunity to apply for a scholarship after a period as a fully paying member.

■ **Legal assistance in private matters:**

As a student member of Industri Energi, you get fast and professional help through the Help legal insurance

■ **Book scholarship:** The opportunity to receive for 6000 NOK after completed studies.

■ **Norway's best membership benefits:** Norway's best home contents insurance without deductibles, probably Norway's best interest rates on mortgages, better BSU terms, and discounts on everything from streaming services to hotels. Need we say more?

Industri Energi Ung organize students at both universities and vocational schools. Are you studying engineering, economics, HR and management or do you work in the industry beside your studies? Yes? Then we are the trade union for you!

Together, we fight to ensure that your safety at work and during your studies. We organize social and professional activities at various campuses all over the country. Among other things, we host webinars and company visits to some of Norway's most exciting companies, such as Equinor, Hydro and Yara. Here you can meet employees in different departments, see how it is to work at these companies and how you can land your dream job.

Through LO Student at your campus you can connect with a social and professional community together with others that are on the same path as you. You can participate at presentations, courses, seminars and debates as well as social events such as concerts and quiz nights. Here you can gain relevant organizational experience that you can put on your CV.

For just 10 NOK a month, you as a student get amazing membership benefits and the safety to shape your own future!
